- Featured on The Travel & Outdoor Channel as one of the premier camping destinations in the world.
- Nationally recognized as RV park of the year.
- Voted by USA Today as one of the "10 Best RV Parks".

OUR STORY

Our ancestor, Francis Daniels, was born on June 22, 1723 in the province of Normandy, France. While serving in the French Army, Francis was captured by Colonial privateers and brought to Massachusetts, where the young prisoner was a source of income to the privateers. On June 6, 1759, after years of working, Francis Daniels was deeded 53 acres of land for 7 pounds, 18 shillings.

Over the generations, the Daniels family has adapted to changing times, transitioning from dairy farming to raising chickens and sheep. In 1971, with a commitment to preserving the land and its legacy, the family transformed the historic farm into a world-renowned camping destination where cherished traditions and lasting memories continue to grow. Today, the 7th, 8th, 9th, and 10th generations remain dedicated to preserving this legacy and carrying on the tradition of New England's finest family camping resort.

Guests With Special Needs

We strive to make Normandy Farms a welcoming and comfortable destination for all guests. Accessible parking is available at the Recreation Lodge, and our restrooms feature accessible facilities. Restrooms #2 & #3 also offer private, fully accessible restrooms. A pool lift is available to assist guests enjoying our aquatic facilities.

PETS ARE PART OF THE FAMILY TOO!

At Normandy Farms, we know that a family getaway wouldn't be complete without your four-legged companions! Our spacious dog park offers plenty of room to run and play, complete with agility equipment, a dog wash, and a water fountain. Pets are welcome at campsites and in designated pet-friendly rental accommodations. After all, your pets deserve a vacation too!

While you relax by the pool or enjoy an afternoon of sightseeing, your pup can unwind in one of our custom Canine Coops, featuring a private doghouse and water faucet.

To ensure a pleasant experience for everyone, please follow our pet guidelines and carry proof of current vaccinations. Kindly remind any visitors that they are not permitted to bring pets.
