- **WaterFire**— June 14 & June 28 WaterFire Providence is an independent, non-profit arts organization whose mission is to inspire Providence and its visitors by revitalizing the urban experience, fostering community engagement and creatively transforming the city by presenting WaterFire for all to enjoy. WaterFire is a work of art that involves movement, participation and surprise. When visitors encounter WaterFire, they cannot absorb the sculpture from just their sense of sight or even from a single vantage point—they must walk through the installation and they must use all five of their senses. WaterFire is full of motion—throughout the night the firetenders stoke the fires, the boats glide past the flames, the rivers flow quietly beneath the braziers, the sparks whirl through the night air, and the flickering flames reflect off the dark surface of the water, animating the architectural fabric of the city. June 14 beginning at 8:22pm & June 28 beginning at 8:25pm.
