_____1. The Lessee agrees that he/she has personally inspected the Golf Cart at the time of pick up and accepts that the equipment is in good condition. The Lessee is responsible for any damage or loss of the Golf Cart.

_____2. The Lessee shall use the Golf Cart in a careful manner and shall comply with all rules and laws relating to its possession or use. The Lessee is responsible for the safety and security of the Golf Cart until it is returned to the possession of Normandy Farms Campground Reception Center. I am aware that there are areas of the park where golf carts are not permitted including, but not limited to, the pond area, disc golf, dog park, and walkways.

_____3. The Lessee acknowledges that he/she is personally responsible for any other drivers and insures that at no time will anyone without a valid driver's license be allowed to operate the Golf Cart. MUST BE AT LEAST 18 YEARS OF AGE TO OPERATE. GOLF CART WILL BE IMMEDIATELY REVOKED WITHOUT REFUND IF LESSEE UNDER 18 OPERATES GOLF CART. Please note that visitors are not permitted to operate Golf Carts.

_____4. All Golf Carts must have a pass displayed on the dashboard and must enter the assigned gate code upon entering the park.

_____5. Any damage, in transit (if being transported by the Lessee) or at place of use, is the responsibility of the Lessee, including cost of parts and labor. Normandy Farms Campground will not reimburse, nor be liable for any expenses not specifically authorized by it. Rental charges will not abate while equipment is under repair.

_____6. Golf Cart Decorations: Decorations are permitted as long as they do not obstruct the driver's view or interfere with safe operation. Do not use tape, adhesives, or any attachment method that may damage the Golf Cart. Lessee is responsible for any damage caused by decorations or their attachment/removal.

Lessees warrant that he/she has sufficient funds to cover the replacement cost of equipment in the event that such equipment is lost, stolen, damaged, or destroyed. Lessee shall reimburse **Normandy Farms Campground**, upon demand, for the loss of, or any damage to the equipment while it was rented and for all costs and expenses, including reasonable attorney fees, incurred by **Normandy Farms Campground** in collecting any amounts owed.

Lessee shall indemnify and hold **Normandy Farms Campground** harmless from and against any and all liability, including bodily injury and property damage, arising out of the improper use or operation of the equipment by Lessee or anyone using or operating the same with Lessee's express or implied consent. Lessee shall not assign this Rental Contract or sublease the equipment. Lessee acknowledges that **Normandy Farms Campground has no insurance coverage on the Cart while it is in Lessee's possession, and the Lessee makes this material inducement for Normandy Farms Campground to enter this contract.**

_____7. **Security Deposit**: Lessee's signature below constitutes explicit approval to use the credit card on file to pay for the total amount of any loss or damage to the equipment during the rental period, plus rental charges. In addition to the damage fees, the Lessee will also pay for the time in which the Cart could have been rented had it not been damaged. **For this purpose, the Lessee's credit card information will be kept on file with this contract in the amount of $500.00 per golf Cart as a security deposit. If damages exceed $500, Lessee agrees to pay for all damages and rental fees.**

_____8. **Equipment Return**: Lessee agrees to return equipment in a clean condition, free of grime, grease, decorations and debris. **Golf Carts must be returned fully charged.** I understand that the Cart is to be checked out at 3pm and returned by 12pm on my return date. If Cart is returned after 12pm, additional charges will be incurred.

_____9. Golf Carts must park in designated parking areas or on your site and the key should NEVER BE LEFT IN THE GOLF CART. If the Golf Cart is parked in a non-designated parking area, it may be moved by Management.

_____10. No driving Golf Carts while under the influence of drugs or alcohol. No open alcohol containers permitted on the Carts.

_____11. Maximum of 4 people on the Golf Cart. Golf Cart drivers cannot have anyone sitting on their lap and no one is permitted to stand while driving. Pets are not permitted on Golf Carts.

_____12. If camping on a tent site, Lessee is aware there may be no electricity and would need to charge the Golf Cart in alternate area.
