ATTENTION: Ms. Doris Daniels

Dear Ms. Daniels,

It is my pleasure to provide you with this letter of recommendation for your participation in the National Association for Recreational Vehicles and Campgrounds award program for RV Park of the Year 2005.

A few years ago, my family and I personally had the pleasure of the Normandy Farms "experience". The uniqueness of your campground being open year-round provides such a wonderful atmosphere along with the opportunity for people to enjoy camping during their preferred time of the season. With such a wide variety of activities that you offer within the campground, you are sure to please every age group and your location is so convenient in being just 30 miles from Boston and 50 miles from Cape Cod. Above all, Normandy Farms is willing to provide referrals to their vacationers as to the many sites and services that can be found within the surrounding communities. This referral support that you extend is vital towards the ongoing success of our local area businesses.

Once again, I highly recommend Normandy Farms Campground as a number one vacation spot for all seasons. With the 9th generation continuing the family tradition, I'm certain that there will be many more years of camping enjoyment that lies ahead.

Sincerely,

ELIZABETH A. POIRIER
