TO WHOM IT MAY CONCERN:

We are thrilled that Normandy Farms Family Campground is raising money on behalf of the Jimmy Fund and Dana-Farber Cancer Institute!

The campground's incredible success over the past twenty-two years is a testament to the professional and steadfast commitment of Al and Doris Daniels, who have helped raise vital funds for Dana-Farber's ground-breaking cancer research and excellent patient care services.

We want you to know that we are very proud of our relationship with Normandy Farms Family Campground who is proceeding with our knowledge and support. We highly encourage and appreciate any assistance you can offer them. By supporting Normandy Farms, you too will be helping to make possible the discoveries that each day are yielding new ways to treat and cure cancers.

Best regards,

Alicia Gallo
Development Officer, Jimmy Fund Special Events
