Normandy Farms Campground

Foxborough, MA 02035

To whom it may concern,

On behalf of my constituents of the First Bristol District, I would like to acknowledge the contributions that Normandy Farms has made to make Foxborough and the surrounding area a great place to live and work.

From its early beginning as a working farm in colonial times, Normandy Farms has always been an integral part of the community. Under the stewardship of the Daniels family, that tradition continues.

It is no secret that you never say "no" to a cause that helps people. Over the years, you have raised hundreds of thousands of dollars for a variety of charitable organizations and have extended a helping hand to others so that they may raise funds for their causes. Your modern, well-run facility is always available to help a charitable or community group with a venue to run an event.

Through the years, Normandy Farms Campground has offered employment for part-time, full-time and seasonal help that has had a positive effect on hundreds of people and has helped to keep our regional economy alive.

I am proud to have you and your campground in my district and I truly appreciate and admire all of the things that you do for its citizens.

I wish you the very best in the future and thank you for all that you do.

Very truly yours,

Michael Coppola
State Representative
