[2] Our blog readers have offered their top choices of RV parks and campgrounds to visit with their pets. As with any "top whatever" list, all readers may not agree. If you have other favorite pet-friendly places you like to visit or would recommend, I encourage you to do so. Share what you know with other pet parents who may be looking for that special place to go with their furry friends!

1. **KOA in Lake Placid, NY** - Doggie park where your dog can exercise on various doggie ramps. [3] <http://www.koa.com/where/ny/32131/>
2. **KOA in Badlands, SD** - Large fenced-in area to allow the dogs to run free and the highway rest stops in SD have dog pens to allow your dog a chance to walk about off leash. [4] <http://www.koa.com/where/sd/41111/>
3. **The Springs at Borrego, CA** - Dog owners will love the very large fenced dog park with fresh water and benches. At 3PM there are usually 15 to 20 dogs playing there, the parents just chat and socialize. This is the most beautiful park, surrounded by the mountains of Anza Borrego Desert, no noise just the buzz of hummingbirds! Extra large pull through sites. 5. **Dumplin Valley Farm RV Park, Kodak, TN** - Open year round. Wireless Internet service. 865-397-7942. Great overnight stop for anyone with a dog. The sites are grassy with gravel underneath and there is plenty of room to take your dog for a walk or run. Pets must be kept on a leash and you will need to carry a plastic bag for the poop. Nice picnic pavilion, clean restrooms and it is only 1 1/2 miles from I-40 exit #407. Owners live on the premises giving the camping area a homey feel.

Beautiful RV park in pine forest. Pull through sites with full hookups available. Pine trees and shrubs between sites. Lots of privacy and shade.
