## NORMANDY FARMS FAMILY CAMPING RESORT

CATHY HUTCHINSON, VENDOR REP

Only thirty five miles from Boston, you will find Normandy Farms Family Campground, located in Foxborough, MA. Just down the street from the campground you will find Gillette Stadium, home of the five time (maybe six by the time you read this) Super Bowl champions, the New England Patriots.

Normandy Farms Family Campground Resort is rated one of the top thirteen campgrounds in the world according to the Travel Channel. The New York Times Magazine calls it the “best glamping in the country”. If you have ever been to the campground you will understand why it receives so many awards. Do you want to play shuffle board and volley ball? You got it! Do you want a massage, Zumba or meditation class, or four swimming pools? You have that too! They rent deluxe cabins, safari tents, Yurts, and pop up tents in case you don't have your own trailer. Oh, they do rent camping pads for those who do have their own campers also. If you forgot anything you may go to the Business and Information Center and the concierges can take care of any of your needs.

Speaking of the concierge, Lisa Pascale and Terri Taylor can help you with anything, such as making arrangements to come into Boston to take an Old Town Trolley Tour. Normandy Farms Family Campground has been with Old Town Trolley Tours since 2014, providing the best tours for their campers. We look forward to working with Lisa, Terri, and the other concierges at Normandy Farms Family Campground in the upcoming 2018 season.
